The 2006 Experimental Software Engineering International Week

Rio de Janeiro – Brazil

September 18–22, 2006

Co–located Events

14th International Software Engineering Research Network (ISERN) Meeting

September 18–19

4th International Advanced School of Empirical Software Engineering (IASESE 2006)

1st International Doctoral Symposium on Experimental Software Engineering (IDoESE 2006)

3rd Experimental Software Engineering Latin American Workshop (ESELAW 2006)

September 20

5th ACM-IEEE International Symposium on Empirical Software Engineering (ISESE 2006)

September 21–22

ISESE Full Papers Submission due by March 1, 2006

ISESE Short Papers and Posters Submission due by May 15, 2006

Visit the conference web site: *http://www.isese.org/eseiw2006*

ESEIW General Chair and ISESE General Chair

Guilherme Horta Travassos
COPPE/UFRJ (BR)

ISESE Program Co-Chairs (Full Papers)

Claes Wohlin
Blekinge Institute of Technology (SWE)

José Carlos Maldonado
ICMC–USP (BR)

ISESE Program Co-Chair (Short Papers and Posters)

Emilia Mendes
The University of Auckland (NZ)

Publicity

Sira Vegas
UPM (Spain)

IASESE Co-Chair

Forrest Shull
Fraunhofer MD (US)

ISERN Co-Chairs

Markku Oivo
University of Oulu (FI)

Dag Sjøberg
Simula Research Laboratory (NO)

IDoESE Co-Chairs

Jyrki Kontio
Helsinki University of Technology (FI)

Victor Basili
University of Maryland (USA)

Local Arrangements

Tayana Uchôa Conte
Paula Gomes Mian
COPPE/UFRJ (BR)

Treasurer

Márcio Barros
UNIRIO (BR)

Sponsored by

acm   IEEE

In cooperation with

SBC
Sociedade Brasileira de Computação

Promoted by

COPPE   UNIRIO
